

Earn the respect of your community

Make sure your community is counted accurately
in **Census 2000**. Apply for a job as a Census taker.

Census 2000 offers you flexible hours: evenings, weekends, and when people in your community are at home. You will be paid a competitive wage. We'll train you, give you an official Census identification badge, and ask for a commitment of at least 20 hours per week approximately four to six weeks. We'll reimburse you for mileage and pay you for training. Jobs as Census crew leaders and supervisors are also available.
